Applied Molecular Transport Reports Third Quarter 2023 Financial Results***Company Entered into Definitive Merger Agreement with Cyclo Therapeutics******Cash and Cash Equivalents of \$18.1 million, as of September 30, 2023***

SOUTH SAN FRANCISCO, Calif., November 9, 2023 — Applied Molecular Transport Inc. (Nasdaq: AMTI) (AMT), a biopharmaceutical company, today reported financial results for the third quarter ended September 30, 2023.

Recent Business Highlights and Anticipated Milestones

- Entered into a definitive merger agreement with Cyclo Therapeutics
 - Combined company will operate as Cyclo Therapeutics with primary focus on advancing Trappsol® Cyclo™ for the treatment of Niemann-Pick Disease Type C1 (NPC1)
 - The merger is expected to close by year end 2023
 - Upcoming milestones include completion of enrollment in pivotal Phase 3 clinical trial in NPC1, reporting top line data and preparation for NDA submission

Financial Results for the Third Quarter Ended September 30, 2023

Research and development (R&D) expenses. Total R&D expenses for the third quarter of 2023 were \$0.3 million, compared to \$18.2 million for the same period in 2022. The overall decrease was attributable to our restructuring of operations, related reductions in workforce implemented in March 2023 and discontinuing all research and development activities.

General and administrative (G&A) expenses. Total G&A expenses for the third quarter of 2023 were \$7.0 million, compared to \$7.3 million for the same period in 2022. The overall decrease was attributable to our restructuring of operations and related reductions in workforce implemented in March 2023.

Net loss. Net loss for the third quarter of 2023 was \$6.9 million, compared to \$25.2 million for the same period in 2022. Operating expenses for the third quarter of 2023 were \$7.2 million and interest income was \$0.3 million.

Cash and cash equivalents. As of September 30, 2023, cash and cash equivalents were \$18.1 million.

Forward-Looking Statements

This press release contains forward-looking statements as that term is defined in Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements involve substantial risks and uncertainties. All statements other than statements of historical facts contained in this press release are forward-looking statements including statements relating to AMT's plans, expectations, forecasts and future events. Such forward-looking statements include, but are not limited to, statements regarding the ability of AMT to enter into a strategic transaction and sufficiency of AMT's cash resources. In some cases, you can identify forward-looking statements by terminology such as "believe," "estimate," "intend," "may," "plan," "potentially," "will," "expect," "enable," "likely" or the negative of these terms or other similar expressions. We have based these forward-looking statements largely on our current expectations and projections about future events and trends that we believe may affect our financial condition, results of operations, business strategy and financial needs. Actual events, trends or results could differ materially from the plans, intentions and expectations disclosed in these forward-looking statements based on various factors. Information regarding the foregoing and additional risks may be found in the section entitled "Risk Factors" in AMT's Annual and Quarterly Reports on Form 10-K and 10-Q filed with the Securities and Exchange Commission (the "SEC"), and AMT's future reports to be filed with the SEC. These forward-looking statements are made as of the date of

this press release, and AMT assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements, except as required by law.
